# IT RECYCLING AND REUSE WITH A SOCIAL CONSCIENCE

## CORPORATE BROCHURE

**DID YOU KNOW THE AVERAGE LAPTOP CREATES AROUND 331KGS OF CARBON?**

**85% OF THAT IS FROM THE MANUFACTURING PROCESS ITSELF.**

# Why recycle with Community Computers

**COMMUNITY COMPUTERS**

## WE REFURBISH AND REUSE YOUR IT EQUIPMENT TO BENEFIT OTHERS

- 💚 We repair, refurbish and recycle donated IT equipment in order to:

- 💚 Provide them back into the community at low-cost to tackle digital exclusion

- 💚 Provide IT work skills to the long-term unemployed to support them back to work

- 💚 Reduce the amount of e-waste going to landfill, and ensures all hazardous materials are disposed of properly

- 💚 Prevent carbon from the manufacturing process of new devices

## DigiKnow

**We're a Digital Inclusion Alliance Partner, working in partnership with Stockport Council and Stockport's Digital Device Lending Library to tackle digital exclusion in Stockport**

**We're working with Manchester City Council to deliver the Let's Get Digital Refurbished device scheme to tackle digital exclusion in Manchester**
