

Do you need help getting online?

We can help you learn how to do things online, even if you do not have access to the internet at home. Getting online is easier than you think!

There are free to use public computers and WiFi in libraries. And, library staff can help you to get online.

Call the DigiKnow Helpline on 07724 217888

- For free help to get online
- To borrow a laptop, tablet or smartphone for free
- For free data to access the internet
- To join local digital skills classes for free

“ I had no idea where to start. I've learned so much and I've really enjoyed it. ”

“ With the data and tablet lent to me I am able to go online to access my benefits and universal credit and apply for jobs. ”

You can buy a low-cost refurbished device, which also comes with help from a Digital Champion to get online. Call 0161 476 2777 for details.

DigiKnow

Being online offers so many benefits including:

- saving money by getting the best deals
- improving your digital skills for jobs
- accessing public services and benefits
- getting health advice
- managing your money
- keeping in touch with family and friends
- learning at home

The internet is great for shopping, banking and keeping in touch, but you often hear stories about the dangers of being online. We can help you learn how to use the internet safely, how to spot scams, keep safe and protect yourself.
